

1. Educational Qualifications :

- **Master of Engineering (Signal Officers PG Engineering)** from MILITARY COLLEGE OF TELECOM ENGINEERING, Mhow(MP)- 1987
- **Graduate Engineering(GEEO Course)** from MILITARY COLLEGE OG TELECOM ENGINEERING, Mhow(MP)- 1982, Awarded Distinguished Grade
- **Certified Software Quality Professional**, awarded by Government of India, STQC IT Services, Ministry of Information Technology.
- **Certified Software Test Manager**, awarded by Government of India, STQC IT Services, Ministry of Information Technology.
- **BSc (PCM)** from Agra University

2. Membership in Professional Societies :

Computer Society of India

3. Teaching, Research, and Consultancy Profile :

3.1 Teaching Interests :

IT in Business, Management Information Systems, Project Management, Database Management Systems, Operations Management & Operation Research

3.2 Ph. D works guided/being guided : Nil

3.3 B. Tech/ME Projects Guided :

Guided a large number of B. Tech and ME projects at Faculty of Communication Engineering, Military College of Telecom Engineering Mhow (1994-1996), some of the major projects are:

ME Projects :

- Automated Message Processing System for the Indian Army
- Electronic Warfare System Simulator
- Data Communication Over Simplex Radio
- Directional Antenna for VHF Radio Relay System

B. Tech Projects :

- Automation of Electromagnetic Compatibility Tests-Integration of various electromagnetic compatibility measuring equipment (R&S) through GUI (windows) based software, at Army Electromagnetic Compatibility Agency, Mhow.
- Microprocessor based Automated multiple Nickel Cadmium battery charger System.

3.4 PGDM Projects Guided :

Guided about fifteen PGDM Students Summer Projects in the areas IT & Systems, Operations Management, Marketing, Finance & HR during 2006-2009

3.5 PGDM Projects being Guided :

- Strategies to Enhance Effectiveness of Dispatch Function at Vijay Electricals, Hyderabad
- Increase Operational Efficiency – Optimize Delivery Process for AK Compressors at Tecumseh Products, Hyderabad.
- Study and Analysis of Operations at Sponge Iron Plant of Sarda Energy and Minerals, Raipur.
- Master Data Management System-Performance Benchmarking & Establishing Quality Standards for Employees at SourcePro , Hyderabad.
- Analysis of Quality Control System at Switchgears Division, BHEL, Hyderabad
- Analysis of Quality Control System at Pump Division, BHEL, Hyderabad.
- Study and Analysis of Material Management Process at BHEL, Bangalore.
- Policy Conversion Process & Quality Measures at Bajaj Allianz, General Insurance, Hyderabad.
- Study of Six Sigma Quality System at Forbes Marshall.
- Total Productive Maintenance at Kesho Cement Plant, Basanth Nagar, AP.

3.6 Research Interest :

Web 2.0 Technologies, Information Systems.

3.7 Sponsored Research Projects carried out : Nil.

3.8 Sponsored Research Projects being carried out : Nil.

3.9 Consultancy Projects carried out : Nil.

3.10 Consultancy Projects being carried out : Nil.

4. Outcome of Research :

- 4.1 Ph. D Thesis : Not Applicable.
- 4.2 Papers Published in Reviewed Journals : Nil.
- 4.3 Papers Presented in International Conferences : Nil.

5. Work Experience and Training Activities :

5.1 Professional Experience :

- Associate Professor, Vignana Jyothi Institute of Management (2009), Assistant Professor (2005 -2008) in IT & System.
- Served in Corps of Signals, Indian Army for three decades and held many coveted appointments in the ranks 2nd Lieutenant to Colonel. Some of these are listed below.
- Deputy Controller (Colonel) Electronic Warfare Systems, at HQ Director General Quality Assurance, DGQA, New Delhi (2003-2005). Planned & Procured Electronic Warfare Systems.
- Deputy Controller(Lt Col), Controllerate of Quality Assurance (Electronic Warfare) wing, DRDL, Hyd. Planned and Implemented Quality Assurance System including Quality Control of Hardware and Software for SAMYUKTA (Electronic Warfare Systems) Program of DRDO(1999-2003).
- Commanded an Indian Army Specialized Communication Unit, equipped with Satellite and Troposcatter Mobile Terminals. Planned and executed TROPO Communication for Kargil War (1997-1999)
- Head of Department, Telematics, Faculty of Communication Engineering, Military College of Telecom Engineering, MHOW(1994-1996)
- Project Manager Automated Message Switching System(AMSS)- Students AMSS Project was redesigned and developed for operational use – Successfully implemented in a Corps formation each in Western and Eastern Sector
- Planned and executed Laboratories Modernizing Project (Microwave Lab, Computer & Systems Lab and Fiber Optics Lab) at Military College of Telecom Engineering as Project Manager.
- Member Task Group for Developing B. Tech(Computer and Communication) curriculum for Signal Officers.
- Commanded a Independent Brigade Signal Company in J & K during peak insurgency period(1990-1992).
- Deputy Director (Projects) at Deputy Director General (Computers), AHQ
- Executed Record Offices(five) Automation Project includes planning, equipment evaluation, procurement of hardware/software, contracting, and installation and acceptance testing (1987-1989).
- Formulated ADP Training Policy for the Officers of Army for Faculty of Computer Technology & Systems, Military College of Telecom Engineering, Mhow.

5.2 Short Term Training Program Attended :

- Software Quality Assurance Course at STQC, Secunderabad (2 weeks 2003)
- Software Testing Course at STQC, Secunderabad (2 weeks 2003)
- Electronic Warfare Course at Faculty of Combat Communication, Military College of Telecom Engineering, Mhow (7 weeks in 1997)
- Senior Command Course at Military College of Telecom Engineering, Mhow (8 weeks in 1998)

6. Co-curricular and Extra Curricular Activities :

6.1 Interest and Hobbies :

To help the needy- contribute to the activities of Help Hyderabad an NGO. Playing Chess and Quranic studies.

6.2 CCA/ECA Organized :

Member National Conference 2007 & 2008 Organizing Committee

6.3 CCA/ECA Involved :

National Conference 2009 to be held in October 2009 at VJIM.

6.4 Counselling & Mentoring Activity :

Counselling and mentoring for 4 to 5 students of each PGDM batch is being done.

6.5 Monitoring Activities :

- Review and monitor library activities.
- Member Discipline Committee - Monitor students discipline and review examine and dispose discipline cases.

7. Students Projects Guidance at VJIM :

7.1 Students Project guidance :

Students Project guidance is a regular activity for each batch students, involve helping the students to choose the projects, the company and the methodology. Consequently monitor their progress, liaise with the company guide to solve the problems faced by the students.

7.2 Areas of Guidance :

IT and Operations

8. Personal Details :

8.1 Family:

Married /Single : Married

8.2 Permanent Address :

47 E/20 Faiz Gunj Moradabad, UP

8.3 Present Address:

Plot No 11, Durga Vihar, Trimulghery, Secunderbad-500015

8.4 Telephone & Email:

9989144525, 040-27794525, saeed.ahmad@vjim.edu.in

8.5 Social Activities:

Contribute to the activities of Help-Hyderabad an NGO
